

Membership registration for race teams planning on competing with POWRi for all divisions in 2021 can be found on line by entering the Membership Registration link at the top right side of the POWRi website. You can also join under the Info link located at the top of POWRi web site.

You must be a POWRi member to be eligible for the year-end point fund and secondary medical insurance.

If you are member of POWRi in any division, you will not pay a temporary fee to compete in any other division. Insurance will carry over from one division to the next with the exception of micro membership.

To hold your same number from last year, your membership must be received at the POWRi office no later than March 1st, 2021. For new members, numbers will be assigned by date received.
